- **23 February 2024:** Final day for late registration of undergraduate and postgraduate students (excluding M and D students)

- The University cannot guarantee a position for students who do not register on time.

General Comments

- Please consult the relevant Faculty's Calendar to ensure that you register correctly according to the approved programme requirements

- Important information about your responsibility as a student is at the back of the proof of registration in order to ensure that your registration is correct. Please acquaint yourself with this information.

- Students are encouraged to make use of online registration. Students with registration problems will be assisted in NARGA during the assigned timeslot.

- Transfering students cannot register online. Please attend the NARGA registration, as per the registration schedule below.

- Important notice regarding registration and residences occupancy: Students intending to utilize either the online (self-registration) or early assisted registration period (29 January - 1 February 2024) are hereby informed that SU residences will not be accessible for early occupancy. Should you opt for early registration, we kindly advise making alternative accommodation arrangements. Please refer to the applicable residence's occupation schedule.

Schedule for assisted registration of **senior/returning/transferring** students (NARGA) on Stellenbosch campus

Faculty	Programme	Date	Time
AgriSciences	- BScAgric - BSc in Food Science (all programmes) - BAgric (Agri-Business Management) - BDatSci (focal area Statistical Genetics) - BSc in Forestry (Forestry and Wood Science) - Honours, master's and doctoral programmes in Forestry - BSc in Conservation Ecology - The same registration schedule applies to ECP students - All postgraduate diplomas, honours, master's and doctoral programmes	29 January	13:30 - 16:00
Law	- LLB - LLM - LLD - Postgraduate diplomas	29 January	13:30 - 16:00
