Important Notices

[NOT-OD-24-123](#) Reporting Data Management and Sharing (DMS) Plan Activities in the Research Performance Progress Report (RPPR). This Notice informs the extramural research community of planned changes to the Research Performance Progress Report (RPPR) instructions to address the NIH Data Management and Sharing Policy. The updated NIH RPPR Instruction Guide will be posted to the [Research Performance Progress Report \(RPPR\)](#) page upon approval from OIRA. NIH plans to implement the new questions for RPPRs submitted on or after October 1, 2024.

[NOT-OD-24-129](#) Updates to NIH Institutional Training Grant Applications for Due Dates on or After January 25, 2025. The overall goal of these changes is to: 1) Reduce applicant and reviewer burden 2) Further support the development of a biomedical research workforce that will benefit from the full range of perspectives, experiences and backgrounds needed to advance discovery 3) Align SF424 with updates with relevant NIH training grant NOFOs and requirements. These updates will be effective for due dates on or after January 25, 2025, for Institutional Training Grant applications, including international training and institutional career development, and will impact applications that use [Research Training Data Tables](#).
