

4.1.13 MCom (Public and Development Management)

Admission requirements

- An BAHons, BAdminHons, BComHons or an BEconHons degree in Public and Development Management with an average of at least 60%.

Further requirements

- You must submit either an honours degree research report or a research proposal as part of your application. You must complete your research proposal and orally defend it to an academic panel. The proposal must be accepted for you to continue with the programme.
- You must have access to a computer and stable internet connection for online learning.

Selection

A total number of students admitted per year depends on the joint available space in the MCom (Public and Development Management), MA (Public and Development Management) and M (Public Administration) programmes as well as available supervision capacity in the School of Public Leadership.

The academic quality of the research proposal or research report will be assessed in terms of the demonstrated academic research and writing ability, familiarity with contemporary literature in the field, relevance of the research objectives, design and methods and the potential academic merit of the study.

Application procedure and closing date

Contact the School of Public Leadership directly at the details under "Enquiries" below to find out about the application process and closing date.

Duration, offering type and starting date of programme

Duration: One year, full-time; two years, part-time; with block sessions and interactive online sessions for the Coursework and Thesis option.

Starting date: Normally late January or early February.

Programme's mode of delivery

Hybrid learning.

Programme structure

There are two options in the programme:

- **A Coursework and Thesis option** (Public and Development Management 889):
For this option, you must follow three 30-credit elective modules and an appropriate, advanced course in research methodology and academic writing skills. In addition, you must complete a 90-credit thesis with guidance from an academic study leader.
The coursework component is presented by means of block sessions and interactive online sessions:
 - Block sessions entail that you must attend lectures in blocks of one to two weeks at a time in January and in May at the Bellville Park campus. Further writing workshops may also be scheduled during the course of the year to give you time for dedicated writing.
 - For the interactive online presentations, you must attend at least two full days in the first semester and two full days in the second semester via an applicable interactive electronic learning platform. You must also independently watch the provided video recordings and engage with study material.
 - For the remaining time, you will study at home and do assignments that must be submitted electronically.
 - Exams are written in Bellville or in Tshwane.
- **A Full Thesis option** (Public and Development Management 879):

This is the full research option. You must complete a course in appropriate advanced research methodology and academic writing (if you have not successfully completed such a course before) and a full thesis of 180 credits under guidance of an academic study leader.

1.2 Undergraduate module requirements for postgraduate programmes

In Appendix C to this Yearbook part, you will find a table showing the minimum module requirements for admission to certain postgraduate programmes. Review this table to determine whether you meet the requirements for the postgraduate programme you wish to follow.

1.3 Selection

Every postgraduate programme in the Faculty is potentially a selection programme since the capacity of the relevant department determines the number of students that can be accommodated in each programme. This means that selection happens when more candidates apply than the department can accommodate in a specific programme. There are, however, also programmes where selection always happens, regardless of how many candidates apply. Departments may choose to list specific requirements and criteria at the relevant programme entries below or on their website or in the programme brochure.

1.4 Postgraduate assessment and examination

- Assessment is determined at modular level; therefore, consult the relevant module framework for more information.
- For the Faculty postgraduate assessment rules, you can consult the Faculty website at www.sun.ac.za/ems and look under "Current students" and then "General information" to find the link "EMS Postgraduate Assessment Rules".
- For more information and the general rules on assessment, see Part 1 (General Rules) of the Yearbook, under "Assessments and Promotions".

- For the general specifications for assignments, theses, and dissertations, consult the section "Postgraduate Qualifications" in Part 1 (General Rules) of the Yearbook.
- For specific information relating to the assignment, thesis or dissertation for an individual programme, consult the programme administrator or leader or relevant programme documentation.

1.5 Pass requirements for postgraduate programmes

The pass mark for postgraduate programmes is 50% and to pass with distinction you need 75%. More detailed information on pass requirements for individual programmes is available from the relevant programme administrator or leader.

1.6 Different campuses and facilities

Some postgraduate programmes are presented by the Stellenbosch Business School or the School for Public Leadership, both of which are on the Bellville Park campus of the University. The School of Public Leadership also presents classes at the Sustainability Institute at Lynedoch. The place where a particular diploma programme will be presented, if not Stellenbosch campus, is indicated below for each individual Programme under "Programme structure".
