

4.5 Master of Business Management and Administration (MBA)

Admission requirements

- An appropriate four-year bachelor's degree (NQF level 8) and at least three years' relevant full-time working experience;
or
- An honours degree (NQF level 8), plus three years' relevant full-time working experience;
or
- An appropriate three-year bachelor's degree (NQF level 7) and a postgraduate diploma (NQF level 8), plus at least three years' relevant working experience.

Please note:

- Your working experience should preferably be on managerial level.
- The Postgraduate Diploma in Business Management and Administration can help you to qualify for admission to the MBA.

Further requirements

In addition to the requirements above, you must also:

- obtain satisfactory results in the SHL or GMAT selection tests.
- submit a comprehensive CV.
- submit two essays, showing your level of motivation and working experience.
- have access to a computer and stable internet connection for online learning.

Selection

The number of students selected can be influenced by, for example, staff capacity, availability of resources within the School as well as academic merit and University transformation objectives. As staff capacity and resources can fluctuate from year to year, the number of students selected can also differ from year to year.

Should the number of applicants that meet the admission requirements exceed the available capacity, a selection process is applied by a selection committee. The criteria that are applied by the committee include multiple components supporting the Stellenbosch Business School's drive for inclusivity and upholding our global standard for learning. The Stellenbosch Business School selection committee considers work experience, qualifications, assessment results, writing ability and motivation for further development when choosing suitable candidates. These criteria are used to rank the applicants in order of suitability, and to finalise the list of selected applicants.

Even though it is not a requirement, your marks in Mathematics and other related subjects at NSC (Grade 12) level will be an important indicator of whether or not you will be able to complete this programme successfully. This mark will be considered alongside your selection test results, your CV and your prior qualifications to determine your selection.

Selection takes place every year, starting in July. You will also be expected to have a selection interview with a representative from the Stellenbosch Business School.

Application procedure and closing date

The application process is the same for South African and international students: Go to www.stellenboschbusiness.ac.za and complete the online MBA application form. You will be able to complete the form in steps without losing information.

It is advisable to complete the application form as soon as possible in order to register for the programme. The closing date for international and South African applications is **15 November**.

Duration of programme and starting date

Duration: Two years.

Starting date: January.

Programme's mode of delivery

Full-contact learning (face-to-face).

Hybrid learning.

Assessment

Deadline for submitting the research assignment

The submission date for the research assignment is **1 December**. No extension will be granted. If you fail to submit by 1 December, but do submit by the supplementary date of 15 January, a maximum mark of 50% can be awarded. If you fail to submit the research assignment by 15 January, you will have to re-register for the module.

Provisions relating to the continuation and termination of studies

Full-contact and hybrid-learning students

If, towards the end of the first academic year, you have completed the compulsory syllabus and still have more than 35% of your credits for the core modules in arrears, you will not be allowed to continue with the MBA programme.

All groups

You have the minimum period plus one grace year to complete the MBA programme. If you have already used the additional grace year and you still have credits in arrears, it could mean that you will not be allowed to continue with the programme.

1.2 Undergraduate module requirements for postgraduate programmes

In Appendix C to this Yearbook part, you will find a table showing the minimum module requirements for admission to certain postgraduate programmes. Review this table to determine whether you meet the requirements for the postgraduate programme you wish to follow.

1.3 Selection

Every postgraduate programme in the Faculty is potentially a selection programme since the capacity of the relevant department determines the number of students that can be accommodated in each programme. This means that selection happens when more candidates apply than the department can accommodate in a specific programme. There are, however, also programmes where selection always happens, regardless of how many candidates apply. Departments may choose to list specific requirements and criteria at the relevant programme entries below or on their website or in the programme brochure.

1.4 Postgraduate assessment and examination

- Assessment is determined at modular level; therefore, consult the relevant module framework for more information.
- For the Faculty postgraduate assessment rules, you can consult the Faculty website at www.sun.ac.za/ems and look under "Current students" and then "General information" to find the link "EMS Postgraduate Assessment Rules".
- For more information and the general rules on assessment, see Part 1 (General Rules) of the Yearbook, under "Assessments and Promotions".

- For the general specifications for assignments, theses, and dissertations, consult the section "Postgraduate Qualifications" in Part 1 (General Rules) of the Yearbook.
- For specific information relating to the assignment, thesis or dissertation for an individual programme, consult the programme administrator or leader or relevant programme documentation.

1.5 Pass requirements for postgraduate programmes

The pass mark for postgraduate programmes is 50% and to pass with distinction you need 75%. More detailed information on pass requirements for individual programmes is available from the relevant programme administrator or leader.

1.6 Different campuses and facilities

Some postgraduate programmes are presented by the Stellenbosch Business School or the School for Public Leadership, both of which are on the Bellville Park campus of the University. The School of Public Leadership also presents classes at the Sustainability Institute at Lynedoch. The place where a particular diploma programme will be presented, if not Stellenbosch campus, is indicated below for each individual Programme under "Programme structure".
