There will be seven stations for activities with children such as jumping castle and waterslide, sports activities, painting, musical karaoke, fill the bucket water games, potato sack races and balance ball games. They will make food packages for Rise Against Hunger Serruria first at 09:00 and then Nemesia at 10:30 at Tienie Louw Hall. KFC is the sponsor of the event.	Education for all Food security and health
Goldfields Residence and Simonsberg Residence		Simonsberg and Goldfields will have a critical engagement about poverty, inequality and giving responsibly. Followed by making sandwiches and collecting sanitary products from the newcomers. The items will be donated to the shelter following a short engagement. The shelter visit will focus on awareness, information, and practical solutions to problems the homeless community face. The main goal is to become more informed about the food security needs of those in Stellenbosch and the functioning of the shelter. It will illustrate how we can give responsibly and effectively to those in need.	Education for all Food security and health
Harmonie and Monica Residence and Oude Molen PSO	Stellenbosch Night Shelter Engineers without Borders	Harmonie will facilitate a collaboration with Engineers Without Borders on Renewable Energy. The session will be in Harmonie's dining hall, and the Monica Bay. The session will start with a 30-minute presentation on renewable energy. It will then be followed by a 45-minute session of a solar panel building demonstration. The student leaders from Harmonie and Monica will also speak to newcomers more about Social Impact and the #EndHunger movement. They will be required to bring a non-perishable food item with them which shall then be donated to an organisation.	Food security and health Environment and sustainability
Venustia PSO and Huis Marais	St. Ida's Primary School	Will make stationary boxes for St. Ida's Primary School grade fours and attach encouraging notes to the boxes. One group of newcomers will pack the stationary boxes and another group will play with the children. Activities include face painting, dancing, ball games and colouring and drawing. A short presentation by a staff member of the school will be presented. Venustia PSO is hoping to partner with the school for the year.	Education for all

Tygerberg Campus Community Morning 2023			
Residence/Ward/Committee	Community Partner	Activity	Sustainable Development Goal
eNkanyini and Meerhoff	Rise Against Hunger	Newcomers will make food packages for Rise Against Hunger at the TSS Sports Hall. There will be around 90 newcomers working per hour. Newcomers will also enjoy music while making the food packages.	Food security and health
Francie van Zijl		Newcomers will make jewellery which will be sold, and all monies will be used for the pantry project. However, they are considering taking money out entirely and asking students and staff to pay for the jewellery with food donation items for the pantry project. The pantry project is a collection of food donations that students can access for free. They are also going to have a speaker that will talk to the newcomers about the transition from high school to university. The venue is Francie's Rec Hall.	Food security and health
Hippokrates and Osler		Newcomers will plant fynbos in a recycled glass jar and attach motivational letters to the jar for the year ahead. Newcomers will bring used jam jars along with them for this activity. They will also have a speaker to talk about the health benefits of spekboom. The venue is Hippo's grass.	<p>Food security and health</p> <p>Environment and sustainability</p>
